

Digitalis F1 **PINK PANTHER**

A REAL SHOWSTOPPER!

Pink Panther is a performance powerhouse. First year flowering, plants are quick to flower and are compact for efficient shipping. Heavily branching plants produce multiple flower spikes at one time. Flowers are sterile which make them long lasting.

In addition to its superior flower quality, Pink Panther's foliage is perfectly balanced. The over-all impression roars premium plant that consumers will pounce on. As if it needed another selling point, it's also pollinator friendly.
